

The Special Non-Emergency City Council meeting posted for tonight Thursday, February 26, 2015 will not be convened.

The City of Avalon has requested that Southern California Edison (SCE) cease the transfer of water from the Million Gallon Tank at Two Harbors to the Wrigley Reservoir until at least Wednesday, March 4, 2015. SCE has agreed to this request.

At the Regularly scheduled City Council meeting on March 3, 2015, at 6:00PM, SCE will be providing a presentation on the water from the Million Gallon Tank, sampling, and other related topics.
